Safety in Laboratory Courses with Physical Hazards

To the student: You are required to read, understand and implement the safety precautions indicated in your laboratory manual or laboratory handouts, which are summarized below. Your signature on the attached sheet indicates your absolute willingness to abide by these precautions while you are in the laboratory.

1. Work in the laboratory only as authorized by your instructor. Do not perform unauthorized experiments.
2. You are required to purchase ANSI approved safety glasses and wear them as directed during some laboratory sessions.
3. Learn emergency procedures.
4. If you are injured or if any type of accident or fire occurs, IMMEDIATELY call your instructor for assistance.
5. Carefully read all instructions and thoroughly plan your work.
6. Wear appropriate clothing and shoes in the lab. Confine long hair. Place personal items in the area designated backpacks. Backpacks are not permitted at the bench.
7. Do not eat, drink or smoke in the laboratory.
8. Practice good housekeeping procedures.
9. Ensure all laboratory equipment (i.e., computers, electrical components, mechanical and rotary devices) are inspected for proper operation prior to use.

I have read carefully and understand all of the safety rules contained on this sheet. I also agree to read all rules for specific exercises contained in the laboratory manual or laboratory handouts required for this course. The weekly assignment will include instructions for appropriate personal protective equipment and the safety precautions to be taken for the upcoming laboratory session. I recognize that it is my responsibility to obey them faithfully.

I understand that my adherence to the safety rules will be reflected in the grade I receive for this course. The consequence for not following the instructions of the laboratory session or failure to adhere to the safety rules will result in immediate dismissal from the laboratory period and a grade of zero given for that session.

I FURTHER UNDERSTAND THAT I AM PERMITTED TO WORK IN THE LABORATORY ONLY WHEN IT IS UNDER THE SUPERVISION OF A LABORATORY INSTRUCTOR, UNLESS SPECIFICALLY INFORMED OTHERWISE.

Sign both Student Acknowledgement forms. Your laboratory supervisor will collect and forward the signed copies to the Environmental Health & Safety office.
